

1-Day Seminar

"The DGSA's Annual Report - What Should You Really Include?" and "A Programme To Develop Newly-Qualified DGSAs"

Thursday 7th October 2021

**Best Western Plus Windmill Village Hotel, Golf Club & Spa Birmingham
Road, Allesley, Coventry, CV5 9AL**

We are delighted to be holding a 1-day seminar, focussed on Dangerous Goods Safety Advisers (DGSAs).

The Seminar October will address two thorny DG issues:

1. **a proposal for the content of the DGSA's Annual Report** (as required by ADR 1.8.3.3)
2. **how to develop a DGSA once they are formally qualified.**

Seminar Aims

- to propose a format for the DGSA Annual Report that BADGP members could use in their activities
- to introduce and gain feedback from fellow DG professionals as to the proposed content of a BADGP post qualification 'New DGSA Development programme'.

We are pleased to announce that representatives from the UK's Department for Transport (DfT) Dangerous Goods Office and High Consequence Dangerous Goods Security audit team will be attending, presenting and being available for informal chats during the day.

Attendees will also have the chance to meet other DG professionals and many of the BADGP Committee members in person.

Exhibition & Sponsorship

As well as the presentations and discussions, we will be hosting an exhibition, supported by organisations providing services and products to our industry. Please see below for our current sponsors.
