Joining Instructions - Delegates

BADGP Summer Seminar

The Transport of Radioactive Materials and Class 7

Thursday 23rd June 2022

Crewe Hall Hotel, Weston Road, Crewe, CW1 6UZ

We look forward to seeing you at our Summer Seminar on the 23rd June, for which you registered a place. **If you are not now able to attend, please let us know as soon as possible** (enquiries@badgp.org).

Documents for the Seminar

Please note, **we will not be printing any delegate documents for this Seminar**, in order to minimise paper waste. We have prepared the following documents. You can access them from our website on the day or visit the page prior to the event, download them and bring them along on your mobile devices (they are all stored as PDFs). You can, of course, also print them, if you wish.

- Agenda
- Industry Seminar Speaker Profiles
- Sponsors / Exhibitors' Profiles
- A copy of these Joining Instructions
- Delegate List
- Link to Online Feedback Form

These documents are available on our website at: www.badgp.org/class7-seminar.

Feedback

Rather than print a feedback form, we have created a short online survey on which to collect your valuable feedback. Please do access the survey, using the link on the Documents page described above (and before the event, if you wish, to see the questions asked) and **provide us with as much feedback as possible**, so that we can continue to improve events such as these for all our members.

Dinner on 22nd June

A number of BADGP members, speakers and sponsors will be dining in the hotel the evening before the Seminar at 20:00. All delegates are warmly invited to join them (at own expense). **If you haven't already notified us that you'd like to join us, can you please email** enquiries@badgp.org **as soon as possible**. Thank you.
